

Little Big Roll

High Capacity Tissue System

- “Mini” size – “Jumbo” capacity
- Complete consumption mechanism and automatic-reset sliding door eliminates stub roll waste
- Transparent cover shows roll status at a glance
- Tough polycarbonate cover resists vandalism, chemicals, breakage and flame
- Easy loading and fully enclosed for maximum hygiene
- Water resistant lock and cover
- Mounts horizontally or vertically
- Small “footprint” for easy ADA compliance
- Narrow profile takes less space in the stall
- Perforated paper for ease of use and consumption control
- Continuous paper flow for user satisfaction
